Wildlife Trackers is a game which encourages you to experience & explore nature. Especially aimed at young people, families and schools; playing Wildlife Trackers, rewards with badges, points, prizes for spotting creatures and completing fun activities. It demonstrates by the very nature – excuse the pun - of the game through competition, how nature competes in our woodlands; trees competing against each other for nutrients and how wildlife competes for food.

Sign up now with your friends and start earning points, unlocking badges and get ready for a whole lot of fun!
