

Health and wellbeing	STEM	Literacy
Meditation	Shape work	Stories
Sound maps	Building	Reading
Beach Clean	Loose part play	Helicopter stories
Cooking outdoors	Den building	Chalk writing
Mindfulness	Nature survey	Story telling
Foraging	Measureing height & width of a tree	Poet-tree
Gardening	Measuring	Scene setting
Creating worry dolls using natural resources	Perfume making	Story stones
Litter pick	Raft building	Story sticks
Cloud gazing	Water play	Going on a Bear hunt
Scavenger hunts	Constructing bug hotels	Poetry
Sampling techniques	Directionality	Mini explorers
Paddle pick up: canoe litter pick on canal	Bridge building	Senses poetry
Teambuilding	Rocket Launch	Active spelling
Bug hotels	Angles	Going on a bear walk
Sensory	Estimating	Rhyming work
Art using found natural materials.	Making natural dyes	Mark making
Tree climbing	Scavenger hunts	Drama
Growing our own veg	Rainfall measurement	Haiku poems
Den building	Loose part problem solving	Spelling
Creating a pond	Position and movement	Sight words and sounds with sticks and branches
School allotment	Puddles evaporation	Creating fairy gardens and stories
Emotional check in	Building obstacle courses	Water and paintbrush
Creating an orchard	Mini Beasts- Invertebrates	Reflective writing
Old railway line walk way clean	Morse code	Inspiration boards
Bird feeders	Symmetry in nature	Eye spy
Climbing	Multiplication	Story spoons
Sensory poems: I see, I hear etc	Measure new gardening plot	Adjectives work
Parkour	Area perimeter	Oral Storytelling
Problem solving	Building a bird table	Experiences for writing stimulus
Campfire to share stories and worries	Patterns in nature	Space for performing plays
Nature writing	Observing wildlife	Seasonal writing
Reading time	Number bonds	Stick characters
Developing school grounds	Pioneering	Descriptive language
Building fairy houses	Creating an outdoor classroom seating space	Listening and talking
Smores	Weather	Retelling stories
Orienteering	Exploring textures	Make your own characters
Greenhouse made from plastic bottles	Planting	Story walks
Willow	Photosynthesis	Walk and talk
Bird watching	Water cycle work	Ghost stories outside
Planting trees	Shadows	Nature discussions
Tree identifying	Design a garden	Soundscapes
Cooking with produce the children have grown	Symmetry hunt	Writing
Dance	Design a habitat for an animal	Wolf brother
Creating tunnels with willow	Transient art	Imaginative discussion
Leaf rubbings	Mapping	Developing grip /prewriting
Mud play	Perimeter and area	Cloud stories
Care	Orienteering	Description bubbles

Loose part play	Growth	Instructions
Empathy	Kite, kart building	Posters
Creating friendship areas	Aet	QR code literacy activities
Creating a safe environment	Design poo bag dispenser	Magic spells
Bug Hunt	Floating / buoyancy / volume	Alliteration
Symmetry	Water sampling	Similes
Minibeasts	Birds eye view	Animal factfile
Walks	Lifecycles of mini beast	Role play
Sit Spots	Multiplication table using palmate leaves	Onomatopoeia
Yoga	Construction	Memory games
Measure your heart rate before and after	Hibernation investigations	Writing recipes
Planting meadows	Worm farm	Adjectives
Games	Designing and building sand sculptures	Diary / reflections
Hide and seek!	Programming/giving instructions	Spelling with nature objects
Forest bathing	Traffic surveys	Inspiration for writing
Team games	Rain collecting	Recording nature study findings
Lie down and listen to noises/ look at the clouds/ ask wor	Tally	Group storytelling
OUTDOOR STAGE WITH CHILDREN DOING A WEE S	Building and making videos with pictures of steps	Feel things and describe them
Team building: e.g. blind fold challenge	Animals	Factfiles
Breathing activities	Exploring nature	finish the story - team effort
Hammock	Counting, sorting	Signs, stick writing in the dirt
Skills development	Weather monitoring	A-Z of nature
Stay and listen a while	Bird watching and recording - data recording	Drama- animal moves
Sketching	Obstacle courses	Characterisation
Marshmallows	Tally marks and graphs	Design sheet/ plans
Observing nature	Shape, colour	Language development
Playing in the park	For cone Christmas trees	Reading up on flowers, plants etc
nature collages	Guddling	Outdoor spelling practice
Tree hugging	Wind power	Linking to books
Connecting with families	Food chains	Singing
reading outdoors	Making/flying plane models	Collecting words and feelings
WHATS THE TIME MR WOLF	Good chains	Alphabet scavenger hunt
Digging	Transect lines	Using nature to write (ie stones)
Listening to birdsong	Soil painting	Painting sentences, paint on stones, doing surveys by pupils
Journaling outdoors	Measuring speed of sound	Acting out stories
Just being outside!	Charts and graphs	Emotional literacy in the outdoors - pupil more relaxed
Mandalas	Recycling	Interviews
Singing	Upcycling	Mud creatures
Transient art	Shake a tree	Instructional writing
Rain walking	Senses walk	Puppets made from flowers leaves
Woodland link to changes in the body as you grow	Pulleys	Song writing
Surveys	Puddles	Outdoor phonics
Textures	Weather measurement	Story of a raindrops journey
Smells	Fractions	Prose
Walk in bare feet	Measuring space of the area	Report writing
Being still	Building a nest	Punctuation hunt
Birdwatching	BSBW	Lyrics
Photosynthesis	Info handling	Write with water
Edible fruits and berries	Spectrum of colours	Letter formation using natural resources
Jumping in puddles	Food webs	Read under a tree

Water cycle	Stars and planets	Chatter like a bird
Relaxation	Art (STEAM)	Create a bird song
Breathing fresh air	ID Keys	Public speaking
Positive relationship building activities	Forces moving vehicles	Advocate for nature
Observing wildlife and thinking about animals and how th	Building raised beds, measurements,	Read to the trees
Dancing	Weather charts	Make a mini world and write about it
Developing an awareness and appreciation of the local a	Flower anatomy	Functional writing of 'how to' guides
Bushcraft	Woodwork	Paint alphabet rocks
physical skills e.g. climbing, jumping,	Building wig wams	Reading signs in the community
Discussion	Maze making	sand writing
Making dream catchers	Data handling	Orienteering
Emotions story	Aqueduct	Games
Veil of silence	Biodiversity	Oral literacy
Qi gong	Weather science	Atmosphere
Story telling	Treasure hunts	Describing what you see/hear/feel
Sharing	Explore gravity	Spelling words in twigs/ stones
PE	Growing produce	Story of an object
Water art	Climate Science	Audio reports
Create texture board	Chain reaction machine	Positional language
Silent walks	Parachutes gravity	Create own Lost Words
Woodland workout	Melting in the sun	Scots language for different things outside
Worry sticks	Marble runs	Rhyming
Mindful walking	Mud kitchen	Phonics Hunt with clues
Pooh sticks	Keeping warm	Place name derivations
Cold water activity - simply putting feet in the river	Recording weather	French
Storytelling	Experiments	Developing gross motor skills
Can you find something...	Guerilla gardening	Lost words book
Clay tree faces	Arrays for maths	Acrostic poems
Sardines	Habitat Audit	Victorian explorers - naming things as if you are seeing them for the
Risk taking	Measuring plant growth	History talks / reflections
Cycling	Negative numbers	Make your own paintbrush
Colour walk	Habitat creation	Wild words!
Self esteem activities	catapults	Words made by the children using their bodies
Shadows	classifying	Poem to a tree
Sound walks	make an outdoor clock	ID Guides
Find a rainbow	sustainability of forests	Analysing and describing bugs
forest music making	Quadrats to look at distribution	What this tree has seen
Weather Predicting	Dendrochronology	TV advert promoting trees, within stick TV square
Searching a rainbow	Graphing	write with brushes and water, or chalk on paths
Role Play	Photo	Persuasive writing about climate change - inspiration from local area
	Solar ovens	Latin names for plants and animal - Harry Potter spells!
	Cloud observation	
	Sun dial making	
	Compass points	
	Place value	
	Coordinates	
	Light	
	Space	
	FORCES- physics	
	Shape and space	

	Properties	
	ENERGY SOURCES	
	plant and animal survey	
	Greenhouse	
	Biodiversity, food chains & webs	
	spotting energy efficiency in the environment around your school.	
	Wind buggy	
	Engineering challenge	
	Jumping in puddles, cause and effect	
	Biodiversity bingo	
	Geocache	
	Community trails	
	Train like an astronaut	
	Egg drop challenge	
	Cleaning water	
	Weave a wall	
	Make a ladder	
	Water gauges	
	Design your own id keys	
	Making different scenes out of nature I.e. a Scottish scene, Icelandic scene	
	Opal - citizen science	
	Worm charming, id, measuring etc	
	Migration	
	Sweep netting in long grass	
	Butterflies and Moths identification
