

Going Out There -  
Scottish Framework for  
Safe Practice in Off-site  
Visits

## Revision of Going Out There

Launched Friday 21st May 2021

---

<https://www.goingoutthere.co.uk/>

---

The Scottish Advisory Panel for Outdoor Education is pleased to announce the launch of the revised guidance for *Going Out There - Scottish Framework for Safe Practice in Off-site Visits*.

Features of this revision include:

- An updated more user-friendly website with new branding
- A new interactive version of the guidance in PDF format
- A print-friendly version of the guidance in PDF format
- Updated guidance on inclusion and on emerging factors to consider when planning an off-site visit

### *Going Out There - Scottish Framework for Safe Practice in Off-site Visits*

*This framework has been developed in partnership by the Scottish Government, the Health and Safety Executive (HSE), the Scottish Advisory Panel for Outdoor Education (SAPOE), Education Scotland, and the Association of Directors of Education, with input from other partners including voluntary organisations and providers.*
